CABINS

Our cabins were built in the Summer of 2015, so they are fairly new. Because of this, we have some strict rules that need to be followed in order to keep our cabins in good living condition.

- Be gentle with the doors. Do not slam them.
- Close windows during heavy rain pour or when you know you will be gone most of the day.
- Remove shoes/slippers before entering any cabin. Also, make sure to wash dirty feet and sand off body before entering cabins as well as any objects entering cabins.
- Keep the cabin tidy and clean.

CABIN CLEANING

Upon each guest leaving, we ask that the cabins be thoroughly cleaned. Thorough cleaning includes:

- Wipe out all drawers and plastic stackers with bleach water.
- Wipe down/dust all plastic containers, nightstands, and desks with bleach water.
- Sweep and vacuum room including under all furniture and mattresses.
- Wipe down all screens with bleach water.
- Sweep and tidy the steps and area around them.
- Take out all trash and make sure that there is no trash surrounding the outside of the cabin or under the cabin.

KITCHEN

Because the KBC kitchen is so unique and small, visitors are not allowed to use the kitchen. You may however store food in your cabin as long as it is sealed.

CHURCH PROPERTY

Kauai Bible College is located on Crossroads Christian Fellowship’s property. Because of this, we have a few things that you will need to know about the church.

- Alcohol and tobacco use of any kind is prohibited on the property.
- Make sure the front gate is locked behind you after **10PM**.
- The grey porta potties are for women and the brown porta potties are for men.
- The study/children’s tents have electricity. You are allowed to use the electricity in these tents, but everything in the children’s tents (tables, chairs, furniture, etc.) needs to remain where it is.
- No one is allowed in the Cry Room which is located in the main church tent.
- Remove shoes/slippers before stepping on the stage.
- Exploring the property is permitted, but please do not enter the pastures where the livestock are. The animals are not to be touched and/or harassed.
- Do not use church equipment unless a KBC staff member has given you permission.
